

## מפת ארץ ישראל

Use this map in your classroom to teach your students the location of each place they will be learning about in the פרשות לך לך of פסוקים. This map can also be used as a general map of ארץ ישראל.

Follow instructions to use and enjoy these maps to the maximum.

### This package contains:

1. Compass with direction cards
2. Yellow name cards for cities
  - Use the yellow labels of the cities in Eretz Yisroel as interactive pieces. Your students can come up to the map and apply the (yellow) name of the city when you come across that place in the Pasuk.
3. Mizbeiach cards
  - Use the מזבח icons to hang up on the map in the designated place when you come across it in the Pasuk.
4. Sign Posts:
