

# Ma Nishtana Wheel

By: Torah Umesorah Chaim and Chaya Baila Wolf Brooklyn Teacher Center

**Grade Level:** Early Childhood

**Description:**

A colorful wheel for students to display each of the ma nishtana as they are recited! Pre-reading students rely on the clear photographs to guide them. There is some text for each of the questions, but does not include the whole ma nishtana. In addition, large numbers help the children say the ma nishtana in the correct sequence. This easy to create wheel is a perfect tool for practicing the ma nishtana in school and for sending home with the students.

How to Download:

- Download the print-ready PDF (includes lesson plan/instructions)
- OPTIONAL: Download the editable Photoshop file. (does not include lesson plan/instructions) Please note: This is a large file and may take a long time to download.

**Goals/Objectives:**

Students will recite the ma nishtana using the wheel as a guide.

**Materials Needed:**

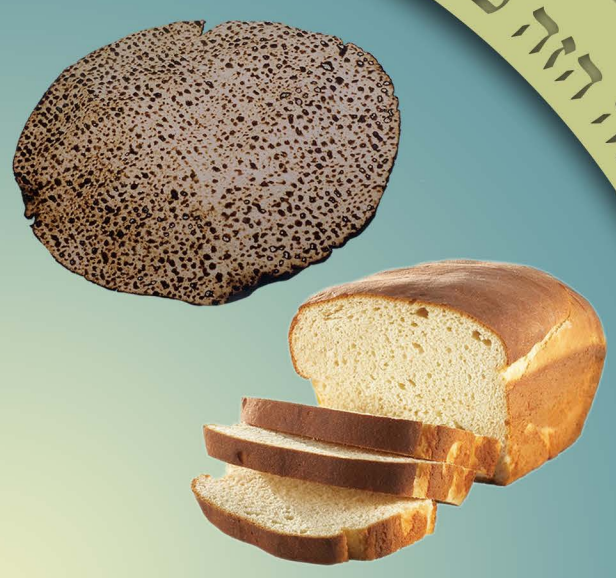

- Color Printer
- Paper Fastener

**Instructions:**

1. Print a circle and the cover. Cut a pie shaped wedge in the cover.
2. Poke a hole in the middle of both circles. Weave a paper fastener through the holes.
3. Have the children practice saying the ma nishtana using the circle as a guide. The students turn the cover to display the question they are asking.
