Spin Away

An exciting Bow and Arrow review activity for Lag B'Omer! This activity can be used on multiple learning levels. Customize your board with Aleph –Bais, Nekudos, or Kriah words, designed to give your child reading practice. Spin the arrow and read the words for endless fun!

Directions:

Sample

1. Print and cut the attached sheets.
2. Customize your board by filling in the pie sections with Aleph-Bais, Nekudos, Kriah words, and more.
3. Attach Bow and arrow to the center of the pie graph using a paper fastener (if available,) or a twister.
4. This game can be played individually or in pairs by taking turns spinning the arrow and reading the letter/word it lands on.
