## Milchig-Fleishig Sorting Mats

Reinforce your child's knowledge of the milchig fleishig categories in preparation for Shavuos. This sorting placemat activity serves as an art project in addition to a sorting activity. Children can first decorate the placemats, and then sort food cards on the corresponding meat-milk placemat!

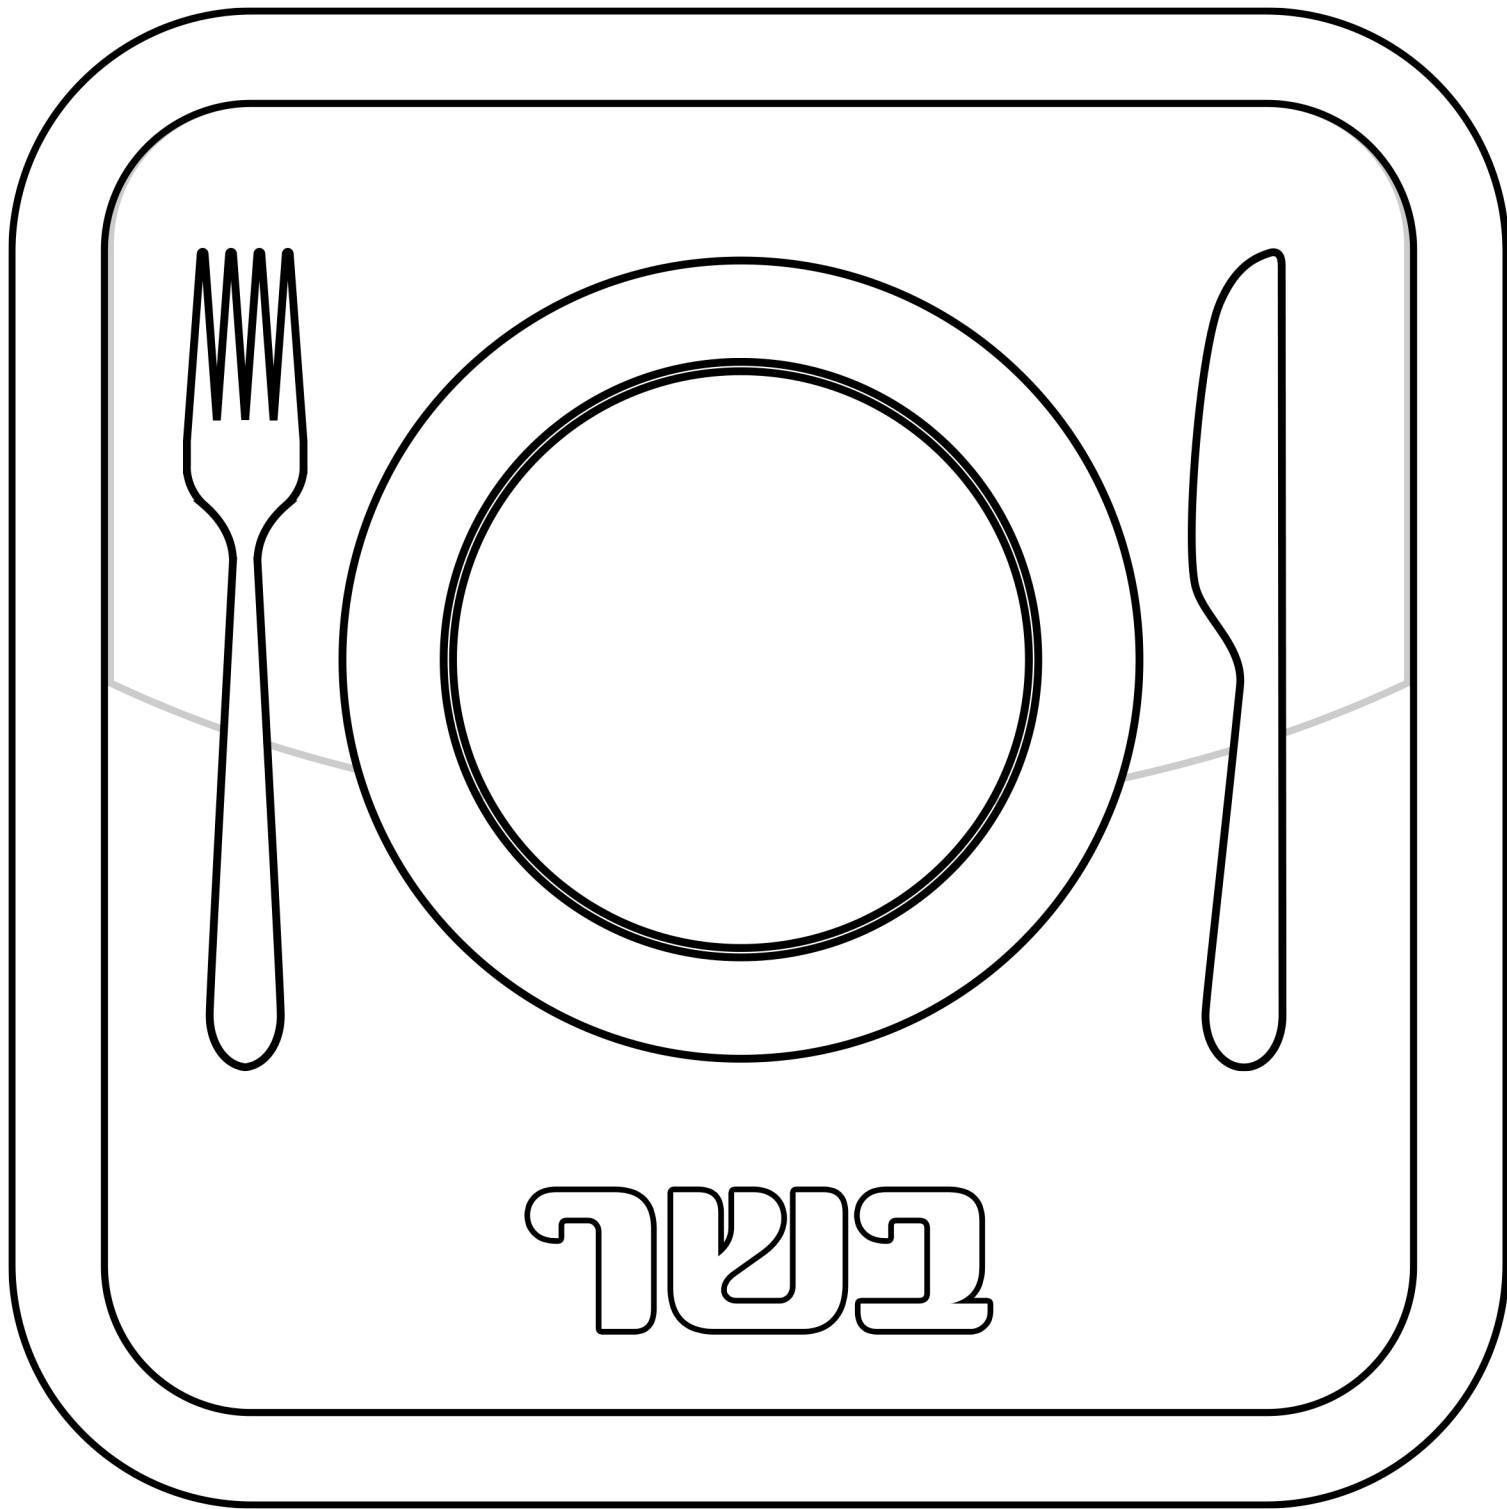

### Materials:

Scissors  
Crayons/markers

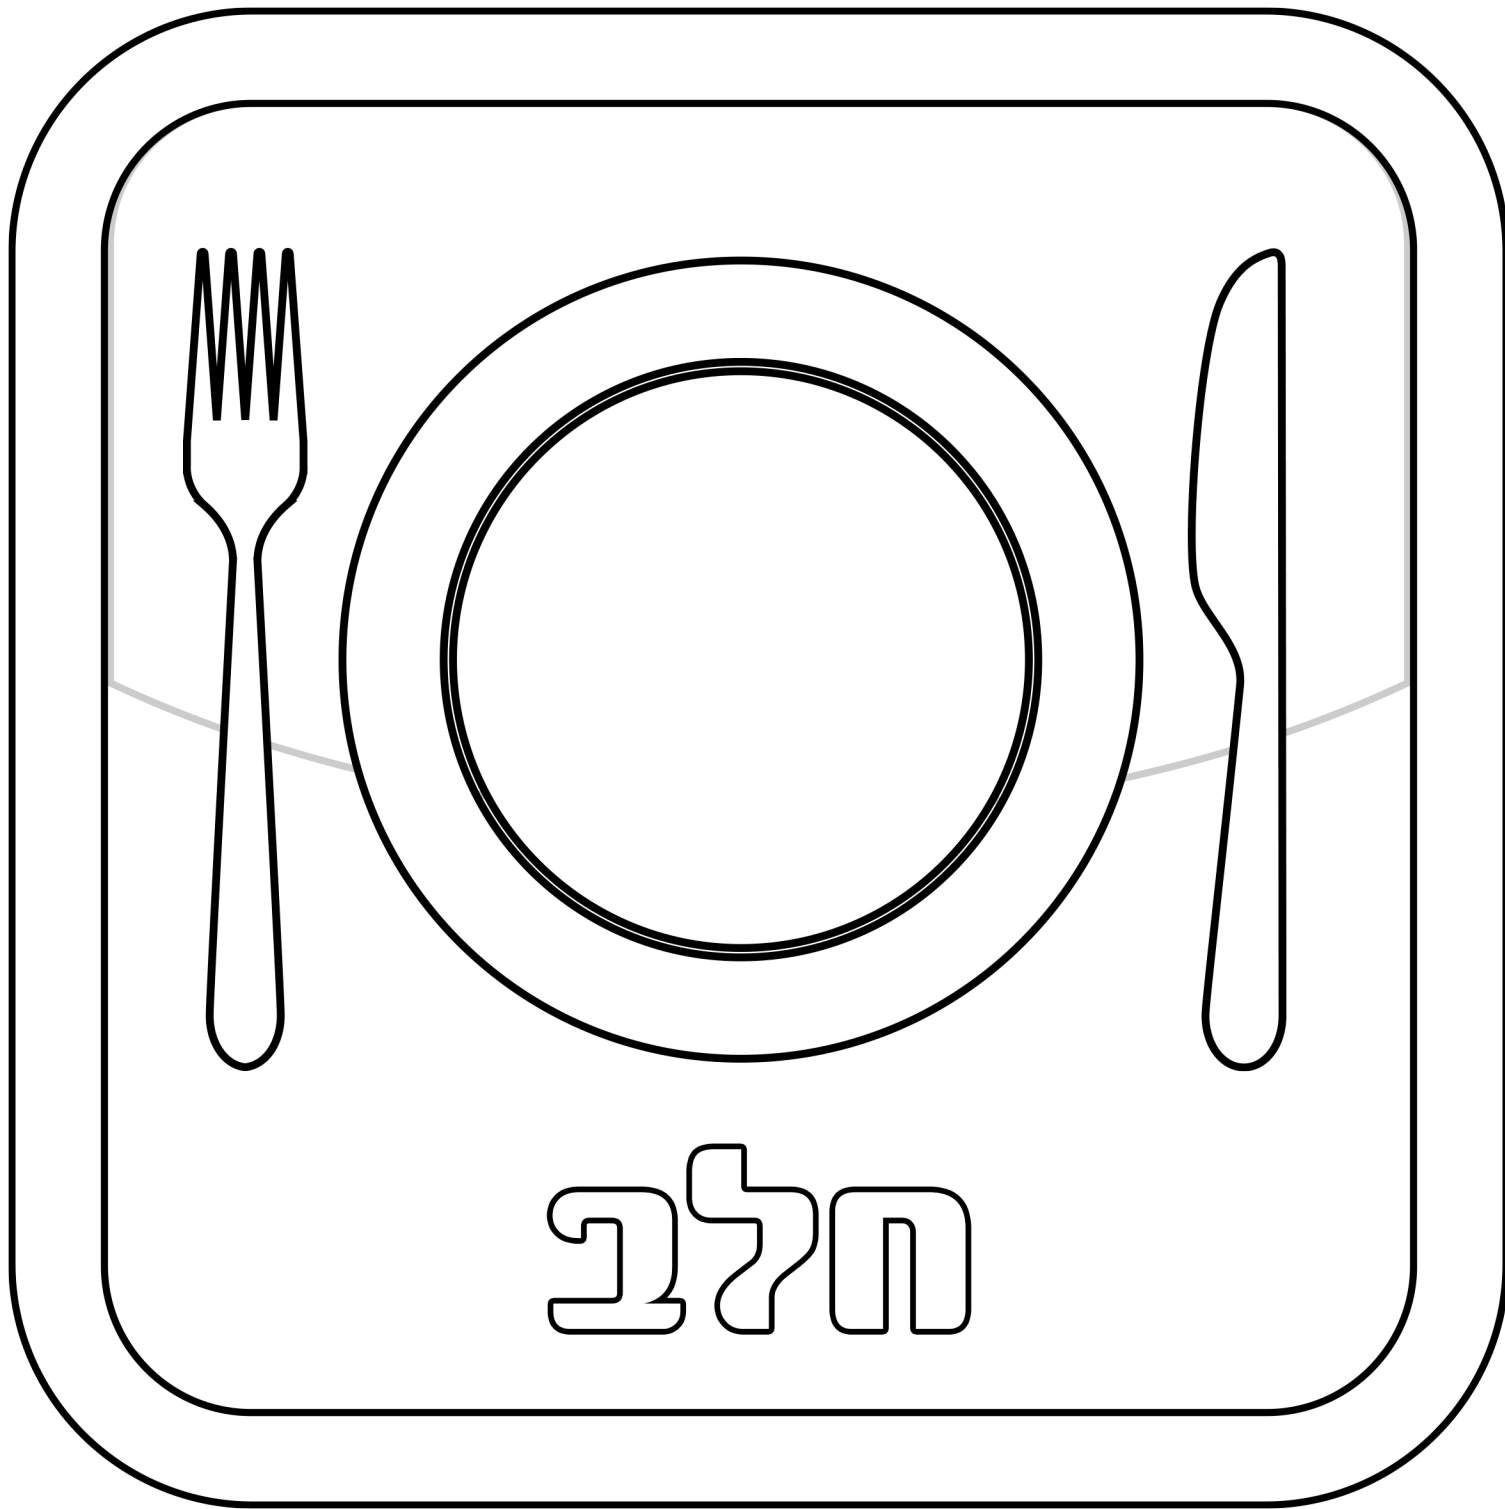

### Directions:

1. Print attached sheets
2. Cut the placemat and cards on outline
3. Optional- Design placemats and color the food cards
4. Sort cards onto the proper placemat.
