The Mitzva Train

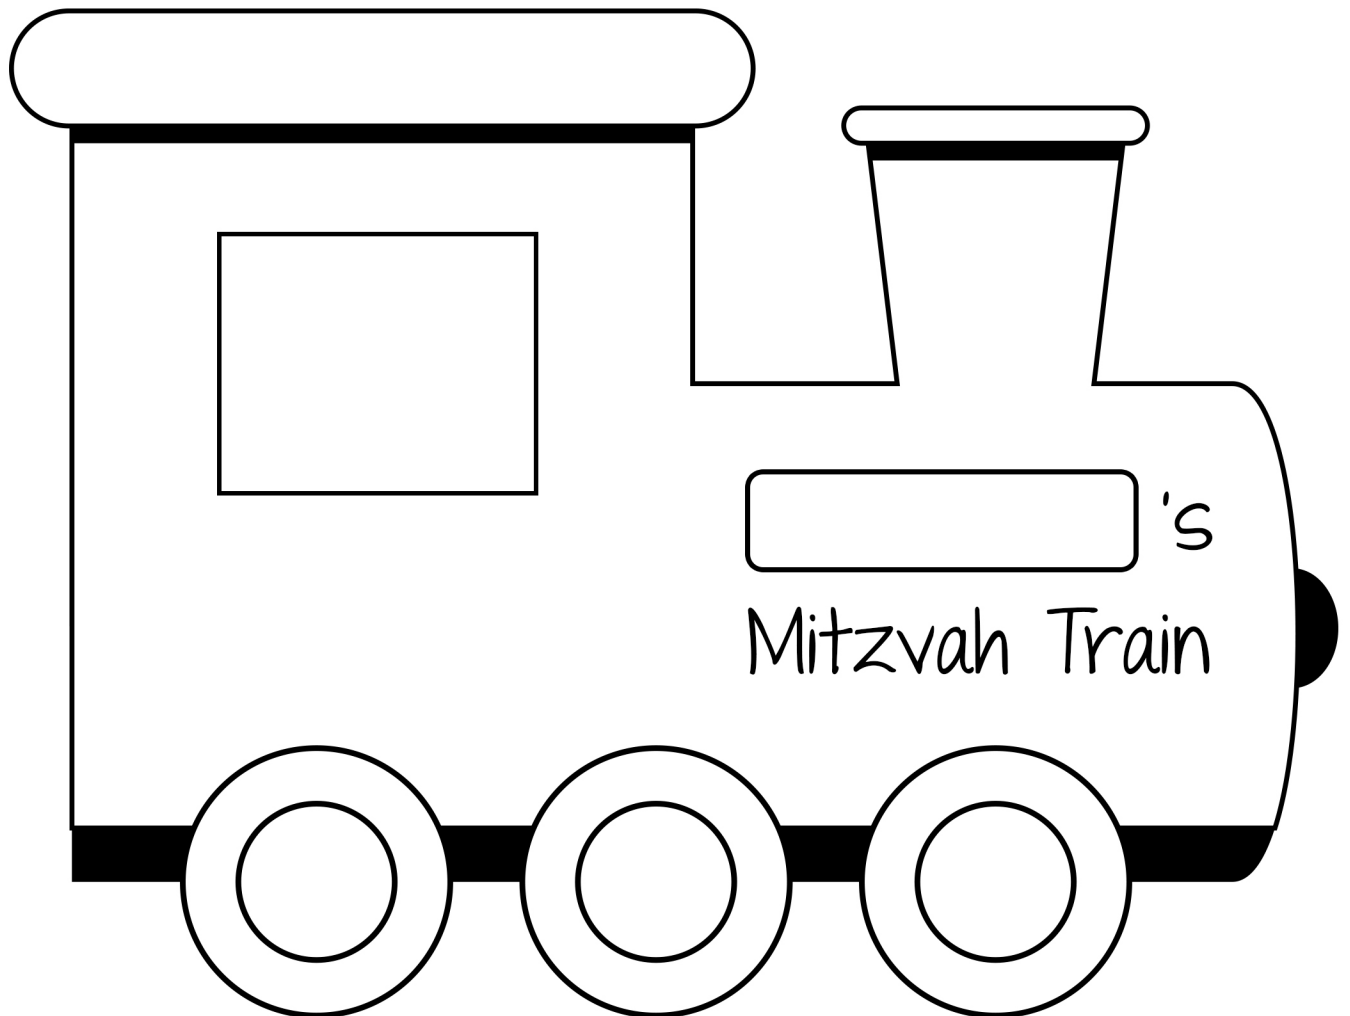

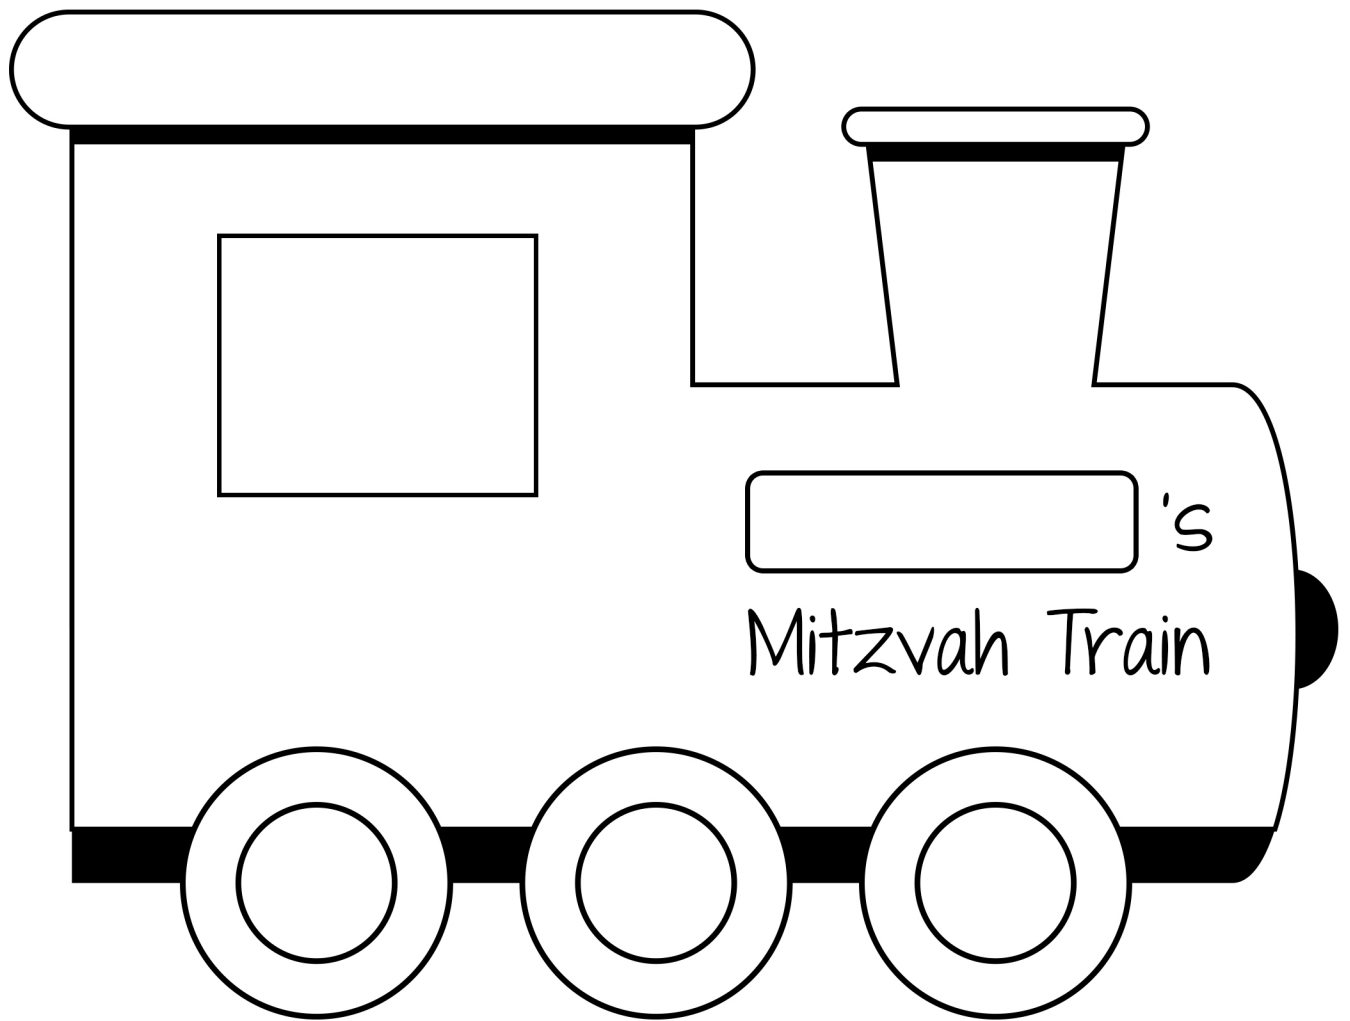

מצוה גוררת מצוה

(פרקי אבות ד:ב)

Motivate your children to do Mitzvos while teaching them the very valuable lesson from this week's Pirkei Avos: "One Mitzva Brings another!" Each time a child does a mitzvah, the parent can write a mitzvah note in a car that gets added to the train.

Variation: Child can draw a picture of the mitzvah on his train car.
