

Foldables

Printing, Folding, and Usage Instructions

Pages 2-3:

Print 2-sided. (6 students/page)

On this card, students write 3 things that make praise meaningful.

Use in place of music notes for practice after Lesson 1.

Pages 4-5:

Print 2-sided. (2 students/page)

Cut in half on the solid black line. Fold on the dotted lines to create a 4-page booklet. (enough for 2 students)

Use for note-taking during lesson 1.

Pages 6-7:

Print 2-sided. (1 per student)

Fold in half vertically (over the solid black line). Cut on each of the dotted lines, stopping just before the fold, so each piece becomes a flap. Fold up by the line above יציאת מצרים and fold down by the line below יציאת מצרים.

This will make a small square book, with two flaps that open up and two flaps that open down.

Use for practice after Lesson 2. Students write the 5 reasons for saying hallel.

Page 8:

Print single-sided. (6 students/page)

This optional piece can be used to create a clasp for the file folder.

Page 9:

Print single-sided. (5 students/page)

This optional piece can be used anywhere on the file folder for decoration.

Pages 10—16:

Print 2-sided. (1 student/page). Fold in half vertically and staple the center.

Cut on the dotted lines between the piano keys, creating flaps. Students can write difficult words on the front of the key and the translation on the back.

This creates a piano-designed booklet for students to write notes when learning the המילים and general meaning of each paragraph of Hallel.
