סבב פנים יפות

Sample Comic Strip:

הוי מקבל את כל האדם בסבר פנים יפות
 You should greet every person that you see-
 With a great big smile, as happy as can be!
 Welcome your friends with a warm, pleasant face-
 They will THINK you are happy,
 and not feel out of place!

How is a person's anger compared to a venomous snake?

Someone got me upset today,
 But I didn't let כעס get in the way!
 I thought about what happened for a second or two-
 And realized exactly what I have to do.
 אל תהי נוח לכעוס, do not get angry easily,
 I will work on this Middah, and Hashem will be proud
 of me!

Explain:

איזהו עשיר? השמח בחלקו

Who is rich, who is rich, do you want to know?

If you are happy with your lot
and don't want more and more,

You are called an עשיר, that is for sure!!

You should be bold like a leopard and always do what is right,

Light and swift like an eagle with wings to take flight,

Run as fast as a deer to do a Mitzvah, don't wait-

Catch it fast, before it's too late!

Be a גְבוּר, strong like a lion, the animal king-

Fight the Yetzer Harah, and let the Yetzer Tov sing!

נושא בעול עם חברו,

What does this mean to me?

I will share my friend's burden and be as caring as can be.
When your friend is sad about something that went wrong,
Listen to her talk, it will not take too long.
And when my friend has news to share that is good,
I will be so happy for her and rejoice
just as I should!

What does
this
Mishna mean
to me?
